Summary of reasons for decision:

The image file depicts a naked girl in her early to mid-teens. However, the image is not reasonably capable of being regarded as sexual in nature. It therefore does not get through the "subject matter gateway" of s3(1) of the Films, Videos, and Publications Classification Act 1993, nor does it deal with matters under s3A or s3B of that Act. The publication must therefore be classified as unrestricted. An unrestricted classification imposes no limitations on the right to freedom of expression as affirmed by the New Zealand Bill of Rights Act 1990.
